BY LUCIDE

We follow the light.

A luminous idea was brought into reality, when Ward Mertens founded Lucide in 1992.

He had a clear vision: to make unique and high-quality lighting products available to everybody.

Over the past 30 years the company kept growing, transitioning from a modest family company to an important international player in the lighting industry.

With an evolving market, transition to digitalization and an increasing demand for sustainability, the second generation, Wim and Niek, stepped up to help and to assure a successful future of Lucide.

Luxurious eyecatchers to illuminate your home.

Discover our premium range of lighting products, designed exclusively for those who seek the finest in quality and elegance. From elegant pendants to modern fixtures, our lighting solutions are made to enhance any space with warmth and style.

Each piece in our collection is crafted with care, blending innovative technology with design. Made from high-quality materials, these products are designed to withstand the test of time. On top of that we offer a 5 year warranty on all Premium products.
